

## THE LILLOOET PUBLIC

# LIBRARY UPDATE

APRIL 2018

### Kiosk Unveiling

The time has finally come to unveil the Community Info Kiosk! Though the kiosk has been ready for some time, we have been waiting for warmer weather to make it available for public use.

**The Unveiling will take place on Wednesday, April 11th at 2pm.** This will be an opportunity to try out the kiosk and chat with the people who made this possible. We hope to see you there!

### Mushroom Mania!

Thanks to Lillooet Food Matters and Paul Stamets' recent presentation, Lillooet is going through a bit of a mushroom obsession. And with good reason! Mushrooms play an important role in soil health, they can have powerful medicinal properties, and they can be deliciously edible.

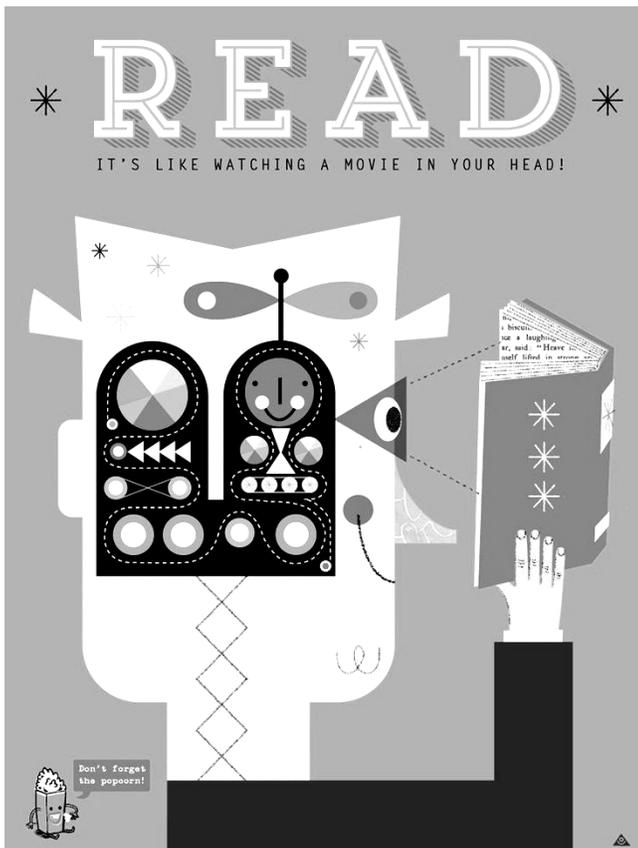

If you are interested in joining the craze, the library has what you need to get you started. Titles in our collection include:

- Mycelium Running
- Growing Gourmet & Medicinal Mushrooms
- Mushrooms Demystified
- Mushrooms of Northwest North America

## Movie Night at the Library

Join the Lillooet Area Library Association and the Squamish-Lillooet Regional District for an evening exploring Waste Reduction and watching *The Clean Bin Project*. (NOTE: Bring your own bowl to enjoy some popcorn - without the waste.)

Is it possible to live completely waste free? In this multi-award winning, festival favourite, partners Jen and Grant go head to head in a competition to see who can swear off consumerism and produce the least garbage. Their light-hearted competition is set against a darker examination of the problem of waste. Even as Grant and Jen start to garner interest in their project, they struggle to find meaning in their minuscule influence on the large-

scale environmental impacts of our "throw-away society". Described as *An Inconvenient Truth* meets *Super Size Me*, *The Clean Bin Project* features laugh out loud moments, stop motion animations, and unforgettable imagery.

## Book Review

### Tomboy Survival Guide

By: Ivan Coyote

*Tomboy Survival Guide* is a funny and moving memoir told in stories, in which Ivan recounts the pleasures and difficulties of growing up a tomboy in Canada's Yukon, and how they learned to embrace their tomboy past while carving out a space for those of us who don't fit neatly into boxes or identities or labels. These heartfelt, funny, and moving stories are about the culture of difference—a "guide" to being true to one's self.
